## About Us

Established in the year 2006, we, **A To Z Alloys Private Limited**, are an established **Trader** and **Supplier** of **Hydraulic Cylinder Pipes, Forged Rings, Forged Round Bar, Flat Bars, and Round Bar**, with the aid of diligent and highly experienced industry experts. Products offered by us are manufactured using mild steel, carbon steel & alloy steel and are known for their corrosion resistance, dimensional accuracy, durability & fine surface finish. Owing to the quality of our products, these are utilised in gears, hoists and cranes, among others. We had a small beginning and since our inception, the motto of our organisation is to maintain stringent quality. To achieve this goal, our dedicated professionals appointed in production, quality control and purchases make sure that none of the product enter or leave the premises without quality checks. Further, we make sure that services and products delivered by us are flawless. The infrastructure facility of our firm is equipped with hi-tech equipment such as hacksaw machine and band saw machine. We have effectively served various industries and acquired prominence in manufacturing forged products. We have highly qualified and experienced Director **Mr. Kirit C Mehta** as our mentor. Under their able guidance, we have been successful in understanding the exact requirements of clients and fulfill them accordingly.
